## ULSTER SAVINGS CHARITABLE FOUNDATION PROVIDES \$5,000 GRANT TO FAMILY OF WOODSTOCK

The Ulster Savings Charitable Foundation recently awarded a \$5,000 grant to Family of Woodstock for capital improvements at their Kingston headquarters.

The Foundation grant will be used to purchase new computer servers which will provide increased data security and storage, improved communication between Family of Woodstock staff and management, along with augmented operational efficiency throughout the agency.

Since 1970, Family of Woodstock has focused primarily on providing crisis intervention services, emergency shelter and food programs, child care programs and case management services throughout Ulster County.

“This funding will allow Family of Woodstock to continue their invaluable work in Ulster County,” noted Michael Kelley, Foundation Executive Director and SVP/Ulster Insurance Services and Ulster Financial Group at Ulster Savings Bank. “With ever-increasing recordkeeping needs, the new computer server upgrades will ultimately translate into better client service. We’re very pleased to lend our support to Family’s efforts in our community.”
