ULSTER SAVINGS CHARITABLE FOUNDATION PROVIDES \$15,000 GRANT TO FAMILY SERVICES, INC.

The Ulster Savings Charitable Foundation recently awarded Family Services, Inc. a \$15,000 grant for entrance renovation and rebuilding at their Family Partnership Center in Poughkeepsie.

The funds, which will be used to address stairway deterioration issues due to use and the elements, will provide safer entrance and exit for guests and Family Partnership Center staff. Over 200 citizens are served daily by the Center with numerous programs, including health care, after-school programs, crisis help, basic needs, victim assistance, substance abuse treatment and parent education.

"Family Services is a wonderful resource for those in need throughout Dutchess and Ulster Counties. We're pleased to know that our funding will enable safe access for clients, staff and other visitors to the Family Partnership Center," said Michael Kelley, Ulster Savings Charitable Foundation Executive Director.
