ULSTER SAVINGS BANK TO FEATURE FRANCIS X. DRISCOLL PHOTOGRAPHY EXHIBIT AT WINDHAM BRANCH

Ulster Savings Bank invites the public to view their latest art exhibit, a collection of local landscape photography by Francis X. Driscoll, at their 5494 Main Street, Windham branch. The exhibit will be available for viewing at the Bank through Friday, May 28th.

A self-taught photographer with an affinity for capturing the beauty of the Catskill Mountains, Mr. Driscoll is a published author (“Images of the Northern Catskills” – 2007) and has received accolades nationally for his work. His image, “Sunset Rock”, was published by National Geographic’s Adventure Magazine (October 2009) and he has also had photographs used commercially and included in several corporate collections.

Ulster Savings Bank continuously features artwork from many local artists at several of its branch locations throughout the Hudson Valley.

For more information about the exhibit, please contact JoAnna Schmidt, Branch Manager, at (518) 734-5315, ext. 6660.
