## ULSTER SAVINGS CHARITABLE FOUNDATION LENDS SUPPORT TO ARM-OF-THE-SEA THEATER “ARTS IN EDUCATION” PROGRAM

The Ulster Savings Charitable Foundation recently announced a \$2,500.00 grant in support of Arm-of-the-Sea Theater’s “Arts in Education” program.

The program, a vital part of the Theater’s mission of cultural enrichment using thought-provoking works of mask and puppet theatre, serves over 12,500 students yearly using in-school performances and artist residency projects. Utilizing pre- and post-production student education and interaction, along with high-level production quality, the Arm-of-the-Sea Theater strives to keep theater affordable and accessible to people of all ages and walks of life.

“Cultivation of the arts in our schools and community is important,” said Ulster Savings Charitable Foundation Executive Director, Jeffrey D. Wood. “We’re pleased to assist Arm-of-the-Sea in their unique brand of live theater.”
