ULSTER SAVINGS CHARITABLE FOUNDATION AWARDS \$5,000 GRANT TO WOODSTOCK FILM FESTIVAL

The Ulster Savings Charitable Foundation recently announced a \$5,000 grant in support of the Woodstock Film Festival's "Youth Initiative Program".

The Youth Initiative Program appeals to ethnically and financially diverse students (ages 14 to 18) throughout Ulster County. These students participate in the Program's "Youth-At-Risk Film Intensive Workshop", Career Day, youth screenings and workshops between July and October. The Initiative Program's mission is to enrich students' lives through exposure to a variety of creative outlets and career opportunities.

"Along with the creative inspiration provided by the "Youth Initiative Program", students are also given problem-solving techniques and other methods to enhance their self-esteem in personal and professional environments," said Jeffrey D. Wood, Ulster Savings Charitable Foundation Executive Director. "The Charitable Foundation applauds the Woodstock Film Festival's commitment to youth in our community."
