ULSTER SAVINGS CHARITABLE FOUNDATION LENDERS SUPPORT TO UNITED WAY OF ULSTER COUNTY

The Ulster Savings Charitable Foundation recently announced their \$5,000 grant in support of the United Way of Ulster County's "Project HOPE" initiative.

The initiative, which was created by the United Way's HOPE Fund, will provide low-income women (18 years or older) with guidance and support as they transition towards a path of self-sufficiency. They are assisted in achieving educational and vocational goals, as well as provided financial assistance for transportation, materials, child care, housing, health care and other costs.

"For decades, the United Way of Ulster County has been devoted to identifying and providing solutions for critical needs within our community," said Michael Kelley, Charitable Foundation Executive Director. "We're excited to know that our funding will allow the Project HOPE initiative to support more women in need within our community."
