HUDSON RIVER MARITIME MUSEUM CAPITAL IMPROVEMENT PROJECT RECEIVES GRANT FROM ULSTER SAVINGS CHARITABLE FOUNDATION

The Ulster Savings Charitable Foundation recently announced their \$8,000 grant to the Hudson River Maritime Museum in support of their “Riverfront Project”.

The Project, which was initiated in 2008, has worked to address capital improvements to the Museum’s buildings and grounds. Funding from the Charitable Foundation will specifically assist with the replacement of numerous windows throughout the Museum’s 5,000 square foot building.

The Museum, established in 1980, is the only museum in New York State to exclusively preserve the maritime history of the Hudson River, its tributaries and the communities and industries around it. It also serves local schools, reaching from between 2,000 – 5,000 children each year through field trips and other outreach programs.

“We’re excited to lend our support to the Hudson River Maritime Museum,” said Michael Kelley, Charitable Foundation Executive Director. “Since its inception over 30 years ago, it’s become a cornerstone of the revitalization of Kingston’s beautiful Rondout waterfront. Its historical preservation and community outreach efforts have made the Museum one of many destination points for Kingston residents and visitors alike.”
