## **ULSTER SAVINGS CHARITABLE FOUNDATION LENDERS SUPPORT TO TRANSFORMATION LIFE CENTER**

The Ulster Savings Charitable Foundation recently announced their \$20,000 grant in support of the Transformation Life Center's Dormitory Renovation Project.

The dormitories, which were purchased by the Transformation Life Center (TLC) in the early 1950's, are in disrepair and in need of significant renovation. The dormitories house men participating in TLC's non-profit drug and alcohol rehabilitation program. This program, according to TLC, has a success rate in excess of seven (7) times the industry average and delivers these results at a much lower cost than similar facilities.

"The Transformation Life Center is an invaluable resource for men in our community who are dealing with drug and alcohol addictions," said Michael Kelley, Charitable Foundation Executive Director. "We're pleased to assist the Center as they work to improve their living quarters for these men."
