GARDINER BRANCH TO FEATURE DEBBIE BROOKS EXHIBIT

(Gardiner, NY) Ulster Savings Bank would like to invite the public to their 2201 Route 44/55 branch in Gardiner to enjoy their latest art exhibit by Debbie Brooks. Debbie's exhibit includes paintings, three-dimensional pieces, handbags, furniture, and jewelry. It will be on display at the branch through August 23.

Debbie Brooks has a BFA from Pratt Institute and has studied at the Royal Academy of Copenhagen. It was during those years she developed her unique personal style. After working as a designer for Disney, Warner Bros., Nickelodeon, Universal Studios and F.A.O. Schwarz, she decided to launch her own collection. Debbie transitioned from traditional canvas to her 3-D medium and then to furniture. During the lean years, she incorporated her artwork onto a handbag for herself. It was so well received, she launched her line in 2002 at New York's 5th Avenue Henri Bendel's. Her work can be found in luxury boutiques, art galleries, and fine jewelry stores all over the world, as well as on her website. She is currently taking time off from creating to care for her aging parents and raising her young daughter.

For more information concerning the exhibit, please contact Kathy DeLano, Gardiner Branch Manager, at 255-4262, ext. 4401.
