## PHOENICIA BRANCH TO FEATURE ART FROM CUBA EXHIBIT

(Phoenicia, NY) Ulster Savings Bank would like to invite the public to their 58 Main Street, Phoenicia branch to enjoy their latest art exhibit curated by Lynn Davidson that features paintings from various Cuban artists. They will be on display at the branch for December.

Ms. Davidson purchased the art in this exhibit in Cuba where she has met many of the artists or purchased the art directly from them. She was struck by the charm, colors, and striking compositions. "Cuban art is an exceptionally diverse cultural blend of African, North and South American, and European elements reflecting the diverse demographic make-up of the island," she said. "I purchase Cuban art so that the artists can have exposure in the U.S. This is my way of trying to help the Cuban people during difficult times," she added.

To find out more information about Lynn Davidson and the artists she is featuring in the exhibit, visit her website: [art-from-cuba.com](http://art-from-cuba.com).

For more information concerning the exhibit, please contact Samantha Awand-Gortel, Phoenicia Branch Manager, at 845-688-5965, ext. 6701.
