

## ULSTER SAVINGS BANK GROWS IN ORANGE COUNTY WITH NEWBURGH BRANCH EXPANSION

**The Ulster Savings Bank Board of Trustees and management team are pleased to announce the opening of its newest location at 1208 Route 300.**

“Due to increasing customer demand in Orange County, we’ve outgrown our satellite branch and invested additional resources into a brand new facility on Rt. 300 and Old Little Britain Road in Newburgh. We know convenience is a top priority and our new space offers easier access, plenty of parking, drive up banking and a 24 hour ATM,” said Glenn Sutherland, President and CEO of Ulster Savings Bank.

“For years, we’ve been lending in Orange County and this was a natural expansion for us,” said Joan M. Eck, Chief Credit and Service Officer. “Our larger office will enable our employees to meet customers in a more comfortable and inviting environment,” said Eck.

The Bank’s branch development projects will continue with the opening of their new Wappingers Falls branch later this month. Mr. Sutherland noted their new branches serve as examples of Ulster Savings’ commitment to serving increasing customer needs throughout the Hudson River Valley well into the future.

The expanded full-service branches will offer the bank’s extensive menu of banking and lending products and services. Overall, Ulster Savings employs approximately 300 people to support fourteen (14) full-service branch locations in Ulster, Dutchess, and Orange counties as well as lending offices in Goshen, White Plains and Long Island.
