

PENNY DELL SELECTED PRINTS ON EXHIBIT AT ULSTER SAVINGS BANK IN POUGHKEEPSIE

Ulster Savings Bank would like to invite the public to their 2680 South Road, Poughkeepsie branch to enjoy their latest art exhibit, a special collection of recent works by award-winning printmaker Penny Dell.

On display are recent works with themes ranging from vividly imagined exploding stars to visual explorations of invasive species from our own planet, and windows that open bare walls to new vistas. This show reveals examples of printmaking techniques including woodcuts, etchings, monotypes and combinations of media.

Ms. Dell, a Poughkeepsie resident since 2008, is a life-long artist. She has exhibited in numerous individual shows and curated exhibitions, presented master workshops and taught printmaking, transfer processes and art throughout New York and New Jersey.

From 2005-2007, Ms. Dell served as President of the National Association of Women Artists and continues to serve on their Governing Board. In December, she was awarded The Robert Angeloch Award for Excellence in Printmaking at the Woodstock Art Association & Museum (WAAM) for 2015. She has also been honored with repeat residencies at the Women's Studio Workshop in Rosendale and the Vermont Studio Workshop.
