## ULSTER SAVINGS CHARITABLE FOUNDATION AWARDS \$10,000 GRANT TO BAPTIST HOME FOR RENOVATION PROJECT

The Ulster Savings Charitable Foundation recently awarded The Baptist Home a \$10,000 grant to assist with their construction of a Therapeutic Adult Day Services Program / Children's Day Care Program facility at their Rhinebeck campus.

The new facility will specifically assist individuals living with Alzheimer's disease and dementia and will provide respite for their family caregivers. The Children's Day Care program will provide affordable childcare to Baptist Home employees and other working parents living in the Hudson Valley.

"We're excited to know that our funds will help provide much-needed solutions for these two populations within Dutchess County," said Jeffrey Wood, Executive Director of the Ulster Savings Charitable Foundation. "This new facility will allow for mutually beneficial interactions between these two seemingly divergent groups of people."
