ULSTER SAVINGS CHARITABLE FOUNDATION SUPPORTS ANDERSON CENTER FOR AUTISM

The Ulster Savings Charitable Foundation recently awarded the Anderson Center for Autism with a \$8,510 grant in support of the Center's Vocations for LifeLong LearningSM project.

The Foundation's grant will allow the Center to purchase necessary technology for use with the LifeLong Learning program. The Center's mission is to engage students and adults with developmental disabilities in vocational opportunities that expand their circle of support, improve work and social skills, and provide them with stronger feelings of belonging and connections to the community.

"For over 90 years, the Anderson Center for Autism has enriched the lives of countless individuals with development disabilities throughout the Hudson Valley," said Jeffrey Wood, Executive Director of the Ulster Savings Charitable Foundation. "We applaud their efforts and are gratified that we can lend our support to them in this way."

Since 2001, Ulster Savings Bank has given over \$8.5 million to support its charitable foundation and the communities the bank serves. For more information about the Ulster Savings Charitable Foundation, please call Jeffrey Wood at (845) 338-6322, ext. 3268.
