The Ulster Savings Charitable Foundation recently awarded a \$2,500 grant to Neighborhood Economic & Cultural Activities Program, Inc. (NECAP) in support of their New Hope Center mentoring program.

Located in the City of Poughkeepsie, NECAP's New Hope Center provides Poughkeepsie families with affordable youth-oriented programs, including youth leadership and mentoring, recreational and sports activities. According to NECAP, they typically serve over 100 children each year with programming through the New Hope Center.

"The New Hope Center offers youth in Poughkeepsie more optimism regarding opportunities in their future," said MaryRose Warcholak, Executive Director of the Ulster Savings Charitable Foundation. "We're excited to lend our support to NECAP and look forward to the positive culture changes that will result from their hard work in the Poughkeepsie community."
