CETERA INVESTMENT SERVICES, LOCATED AT ULSTER SAVINGS BANK, TO OFFER IRA WORKSHOPS FOR BABY BOOMERS

(Poughkeepsie, NY) The public is invited to attend a **FREE** educational workshop titled “**Savvy IRA Planning for Baby Boomers**” on either **Tuesday, April 10, 2018** or **Thursday, April 12, 2018** at **Ulster Savings Bank’s 2680 South Road, Poughkeepsie branch**. **Both workshops will begin at 6:30pm.**

Years ago, many retirees were able to live comfortably off of their pensions, Social Security benefits and whatever other savings they accumulated during their careers. Today, however, companies have largely shifted from pensions to 401(k) and similar plans. The responsibility of planning for retirement has fallen onto the shoulders of the retiree, and with that responsibility comes the need to understand all available investment options and strategies, including Individual Retirement Accounts (IRAs).

This informative seminar covers the basics of IRAs and reveals strategies to help attendees save taxes and get more out of their IRAs. To help Baby Boomers better understand IRAs, this 60-90-minute workshop will cover a number of common questions, including:

- Can I still contribute to a retirement account, and if so, how much?
- What type of retirement account is right for me?
- When do I need to take withdrawals, and how much do I have to take?
- How are my IRA withdrawals taxed?
- How does my IRA fit into my overall plan?
- What happens to my IRA when I die?
- How can I minimize taxes?

Reservations are required for this workshop and may be done online at www.ulstersavings.com/workshops. (Please use Workshop Promo Code **UFG1041018** (April 10th workshop) or **UFG1041218** (April 12th workshop) when you register for this event.) If you would like to register by phone, or have further questions about the workshop, please contact Tina Tinnie at (845) 338-6322, ext. 3352.
