UPTOWN KINGSTON BRANCH TO SHOWCASE CENTER FOR SPECTRUM SERVICES ART EXHIBIT DURING MONTH OF APRIL

Ulster Savings Bank would like to invite the public to their 280 Wall Street, Kingston branch on Friday, April 6th from 3:00pm – 5:00pm to celebrate their special art exhibit for the month of April, a photography collection created by students at the Center for Spectrum Services. As part of our celebration of Autism Awareness Month, the Center will also be the featured Non-Profit Organization of the Month at the Wall Street branch.

The exhibit, titled *Through the Lens of Autism*, allows the students to express their views of the world around them through their photography, something that may be difficult for them to otherwise communicate. The program, now in its eighth year, is taught by Deborah DeGraffenreid, a local professional photographer with a Master's Degree in Special Education. Over 30 pieces of photographic work will be on display throughout the entire month of April as part of this exhibit.

For more information concerning the opening reception or exhibit, please contact Rocco Pucino, Kingston Branch Manager, at (845) 338-6322, ext. 3603.
