## ULSTER SAVINGS CHARITABLE FOUNDATION SUPPORTS HURLEY LIBRARY WITH \$5,000 GRANT

The Ulster Savings Charitable Foundation recently awarded a \$5,000 grant to the Hurley Library in support of the construction of their new Children's Room.

The project is part of the Hurley Library's larger renovation to their new building, which was purchased in 2013. The Children's Room will provide a separate space for the Library's many youth-oriented books and programs, including pre-school story hour, summer reading program, active after-school programs and special events.

"We share the Hurley Library's belief that children are the future of our community," said MaryRose Warcholak, Executive Director of the Ulster Savings Charitable Foundation. "We're happy to assist them in the construction of the Children's Room as it will offer area youth excellent children's programming, computers and reference materials."
