ULSTER SAVINGS CHARITABLE FOUNDATION AWARDS GATEWAY COMMUNITY INDUSTRIES WITH \$8,000 GRANT

(Kingston, NY) Gateway Community Industries in Kingston has been awarded an \$8,000 grant from Ulster Savings Charitable Foundation to continue its efforts in providing a safe and secure environment for both their staff and the people they serve.

A private, not-for-profit organization, Gateway Community Industries has served individuals with mental, developmental, physical, and other disabilities, as well as the economically disadvantaged assisting them in choosing, acquiring, using, and maintaining the skills and supports necessary to achieve success and satisfaction in their lives. They plan on using the grant money to purchase an upgrade to their Identification Badge system and to install privacy film to the windows of their main facility.

"This grant will assist us in providing a safer, more secure environment for our more than 200 staff members as well as the 1,000 plus clients we serve per month," said Mary Ann Hildebrandt, President and CEO of Gateway Community Industries. "We are grateful to Ulster Savings in helping us accomplish this goal," she added.

The Ulster Savings Charitable Foundation was formed in 2003 to assist the local community in areas of housing, education, and human services.
