## **ULSTER SAVINGS SUPPORTS ULSTER COUNTY FILM FINANCE PROGRAM WITH \$2 MILLION COMMITMENT**

Ulster Savings Bank is pleased to announce its support of the newly-formed “Ulster County Film Finance Program”, an initiative launched by Ulster County Executive Mike Hein to enhance and promote film, media and television projects within Ulster County.

Ulster Savings Bank has committed to \$2 million toward the Film Finance Program, which looks to encourage film, TV and media companies to bring production and post-production business to Ulster County and take advantage of the county’s abundant natural, creative and technological resources.

“With the spotlight squarely on Ulster County as an ideal location for film and TV production, and rightly so, we are proud to lend our support to the Ulster County Film Finance Program,” noted Bill Calderara, Ulster Savings Bank President and CEO. “We’re encouraged to be able to collaborate with three other local financial institutions to extend millions of dollars in financing options that could ultimately benefit our local economy in many ways.”
