ULSTER SAVINGS CHARITABLE FOUNDATION AWARDS \$10,000 GRANT TO NORTHERN DUTCHESS HOSPITAL FOUNDATION

The Ulster Savings Charitable Foundation recently awarded a \$10,000 grant to the Northern Dutchess Hospital Foundation in support of their Medical Pavilion capital campaign.

The Pavilion, an 86,000 square-foot attachment to the Hospital, will be a state-of-the-art medical/surgical facility offering new operating rooms, a new patient wing and physician offices. While their current infrastructure has served them well for decades, this project will enhance the Hospital's ability to provide superior, patient-centered and modernized medical care to individuals and families throughout Northern Dutchess County and beyond.

"For over 112 years, the Northern Dutchess Hospital has maintained a commitment to the healthcare needs of its community," said MaryRose Warcholak, Executive Director of the Ulster Savings Charitable Foundation. "The new Medical Pavilion will advance the Hospital's efforts to provide superior patient care and we're excited to lend our support to them in this way."
