ULSTER SAVINGS CHARITABLE FOUNDATION AWARDS \$5,000 GRANT TO RCAL FOR CAPITAL IMPROVEMENT PROJECT

The Ulster Savings Charitable Foundation recently awarded the Resource Center For Accessible Living, Inc. (RCAL), a \$5,000 grant in support of their capital improvement efforts.

With their recent approval as a Social Security Representative Payee agency, RCAL has realized a need to re-configure their offices to accommodate a significant increase in foot traffic, etc. The Charitable Foundation grant will assist them with associated construction costs.

"For over 30 years, RCAL has been dedicated to assisting and empowering individuals to live independently and participate in all aspects of community life. We're thrilled to help them continue this important work for people with disabilities, and their families, throughout Ulster County and surrounding counties," said MaryRose Warcholak, Executive Director of the Ulster Savings Charitable Foundation.
