ULSTER SAVINGS CHARITABLE FOUNDATION SUPPORTS HUDSON RIVER MARITIME MUSEUM WITH \$5,000 GRANT

The Ulster Savings Charitable Foundation recently awarded the Hudson River Maritime Museum (HRMM) a \$5,000 grant in support of their **Wooden Boat Building and Shop at the Rondout Riverport**.

The Charitable Foundation grant will specifically help HRMM supply educational technology, equipment and furniture for use in their Wooden Boat Building and Shop's Education Room. The Room will serve as a year-round resource for teaching underserved student skills in boatbuilding, host adult boat building and marine-related classes, expand overall educational programming by expanding the school field trip season into November and December, and extend the HRMM and Riverport visitor experiences to a full calendar year.

“We feel that our support of the Education Room is a very worthwhile investment to ensure the Hudson Valley Maritime Museum’s mission to preserve part of our past and educate our future, while creating yet another vibrant destination for Kingston” said MaryRose Warcholak, Executive Director of the Ulster Savings Charitable Foundation.
