THROUGH THE LENS of Autism

UPTOWN KINGSTON BRANCH TO SHOWCASE CENTER FOR SPECTRUM SERVICES ART EXHIBIT DURING MONTH OF APRIL

(Kingston, NY) Ulster Savings Bank would like to invite the public to their 280 Wall Street, Kingston branch to enjoy their special art exhibit for the month of April, a photography collection created by students at the Center for Spectrum Services as part of Autism Awareness Month.

The exhibit, titled *Through the Lens of Autism*, allows the students to express their views of the world around them through their photography, something that may be difficult for them to otherwise communicate. The program, now in its ninth year, is taught by Deborah DeGraffenreid, a local professional photographer specialized in working with children who have special needs. With the lens of a camera, these special children who participate can share how they see the world in their own unique way.

For more information concerning the exhibit, please contact Briana Purdy, Wall Street Branch Manager, at 845-338-6060, ext. 4102.

Investment, Tax, Payroll and Insurance products and services available through Ulster Insurance Services, Inc. and Ulster Financial Group, Inc., subsidiaries of Ulster Savings Bank, are NOT FDIC INSURED.
